TWENTIETH CENTURY UNLIMITED
LEAVE 1950 ARRIVE 1951

Heralded by wisps of frothy smoke and the din of clanging bells, the Twentieth Century Unlimited is once again determinedly pulling toward its terminal, the Buchanan High School.

Early last fall the train journeyed to the Land of Knowledge where each student-passenger chose an expertly guided tour that appealed to his individual interest. Since the tours offered so many new and interesting experiences, the students chose to continue them until spring.

Although having fully enjoyed their stay, the eager passengers are now happily anticipating arriving home.

Recorded in the pages following are the activities of both passengers and crew while visiting the Land of Knowledge.

The Big Wheels

A TRAIN OF THOUGHT

A train of thought comes puffing 'round the bend
Its metal casing bearing work wrought scars

And frothy snow white foam escapes in jets
Enveloping the bruises by its screen

The first car brims with overpowering love
The second lurches drunkenly with hate
The third car issues mercy's soothing balm
The fourth screams mournfully at fellow cars

The engineer is anxious for his crew
Each car must bear a load of precious worth
Alert, he changes hate for tolerance
Replacing selfish pride with humbleness

The wheels click throbbingly with quickening pace
The journey for this train has just begun

The depot? past the Hills of Prejudice
The terminus? a Rendezvous with Life

The Pine Staff, as a representative of the Senior Class of 1951, wishes to thank the Annual Staff advisor, Mrs. Margaret Snyder, the teachers and students of Buchanan High School, and all those who, in any way, had a part in making this annual possible.

The Senior advisors have successfully assisted The Big Wheels along their final journey to the Land of Knowledge from the Buchanan High School.

Mr. Earl Rizer was in charge of arrangements for the Senior cruise and all graduation details. As assistant advisor, Mrs. Margaret Snyder has acted as supervisor of numerous activities.

Advance Schedule for 1961

BILL BAITCHFLORES shy smile has won LEE ROLLS' heart. They will be married as soon as LEE decides to give up instructing her men's dancing classes.

HAROLD LURSEN and HAROLD WAGNER are pitted against their old classmates RICHARD VIRGIL and GORDON FORBES for the world title in tag team wrestling.

CHARLES PAIF and RAY NELSON have made history! They have just completed their new book called "History" or "Put the Gangplank Down Pa Columbus Made It!"

BETTY WOMACK is co-starred with JACK BITTINGER in the current production "Just One Kiss". ED HARTMAN is the sound effects man.

KATHLEEN HUBBARD and DANNY MITCHELL have formed a corporation in the iron and steel business. DANNY now while KATHLEEN steels.

PAT BROMLEY is doing a thriving coal business. She is supplying coal to the army camps in Alaska.

DORA LEE KOHN and JIM RENBARGER, co-editors of the Annual, did such a good job on our annual that they were hired to edit a new book entitled, "You Know It Too?" in 87 different languages.

JO ANNE RUSSELL has worn out 3 cars making trips between Niles and Buchanan.

TORRAINE YOUNG is the very popular secretary to BOB BEAVER, the famous psychiatrist.

Heavy-weight fighting champion, LUMAN GRANGER and his successful manager, PAUL SEKAN, recently put on a superb performance at Memorial Field.

JESSIE GEARY and JANIS FEEN have a thriving business on their busline between Buchanan and Dowagiac.

MARY VAN ANTWERP is now in the "Brewery" business.

ALFRED FERRIS has just won first prize in a national contest for the reddest hair. The prize was a bottle of guar anteed peroxide.

DICK RAVISH has accepted a position as principal of Buchanan High. DEVON OCHENRYDER is his capable stenographer.

MARILYN HEWITT married a "fair man" for "just causes."

VIVIAN HUSTON has just received a letter from Mexico which was started immediately after commencing in . . . She'll "grant" us she had a wonderful time.

JAMES HENSON has been awarded a gas pump as a symbol of his diligent work at Hyg . . .

MARION STONER won first prize in a . . . contest for his maiden blush . . . apples.

DALE WILSON set up his own gym and is giving muscle training free of charge to all his cash customers.

DICK MARSH has invented an amphibious motor cycle which was tested on the English Channel. "Many brave hearts are asleep in the deep!"

JERRY MOULDS ruined his reputation as horse doctor in Buchanan, the day he mistook a farmer's *bull* for a horse.

NORMA RAVISH and CAROL SHREVE are in charge of the WAC's communication system between the WACs and the Army. They have been reprimanded for using their machines for other than business purposes.

WESLEY FEZENBY and EUGENE STINEBECK are the owners of the famous drive in grocery stores all over the country under the name of Growing Groceries. They hope to add a chain of restaurants to their holdings, eventually.

GLORIA SCHMALTZ complains everyone insists on spelling her name "Schultz" instead of Schmaltz.

EVA DAVIS, who just wrecked her tenth and last Cadillac in the past month, has gone bankrupt because the insurance companies refused to sell her insurance.

DON SMITH, otherwise known as "Run Along, Never

Stop," is going to hire FRED MIFERGOIT as the trainer of his horse, "Jump Along, Stop Awhile." DON and his horse just can't seem to stay together.

CHARLENE NEHRING'S sailor has just come into port. Anchors Aweigh!

BARBARA CHILSON, now employed at Clark's, is working on a rubber umbrella invention. The idea of the invention is to have the rain bounce off the umbrella without getting the umbrella wet.

DONNA ALBRECHT and BARBARA ZEIMER devised their own recipe for apple jack flavored after dinner mints. They enjoyed "testing" their recipe many times.

EUGENE SCAMHEORN is the very efficient announcer working with his old classmates SUZANNE MUTTON and BILL MOULT in the daily radio drama "True Love." The rival in the production is LYNN WATSON.

FRANKIE TOWERY and NANCY FISHER are playing on the American League All Girls Team. The games they play include basketball, baseball, speedball, and tiddly-winks.

JACK RUNYAN is playing football with the All Stars until Jack, Jr. is able to fill his shoes.

MARIE LAVANDENBOSCH is the head nurse of Mercy Hospital in Buchanan. It has been given that name because the patients keep yelling "Mercy!"

DOLORES HINES, now with Billy Rose's chorus line, is dancing in her former home town, Sault Ste. Marie, Michigan. She complains that it's rather hard to dance in a snow suit and snow shoes.

FART DETTO, the multi-millionaire manufacturer, recently placed on the market a new type "ditto" machine. 1,000,000 machines were sold the first day.

MAYNARD EWERT finally released his theory of theories. Competition for Einstein, maybe?

JACK HAMMILTON was tried and found guilty of writing love letters (perfumed, at that) to Mr. Dean. His last statement was, "I guess I should have been a writer for True Confession Magazine."

TONY ROSETTO, FRED WILLIAMS, and JIM TOPASH are having much success with their Anti Women League. They'll change their minds sooner or later, though.

BOB ORPURT is the great orator we always knew he would be. His ghost-writer and traveling companion is DOYLE NESSON.

DOLLIE SEBASTY and JANE SAMSON have formed a division of 4H. They have limited the attendance at their meetings . . . men only.

VERNON SHANER and BOB QUICK, who are now in the U.S. Army, were recently promoted to mess sergeants. They are still on KP.

NOELAN SPAULDING, who is now conducting the Philharmonic Orchestra in New York, has devised a new method of drying diapers. The diapers flap from his baton during rehearsals.

Due to the culinary experiments of LUCILLE BACKUS and DOROTHY SAMSON as head chefs of the Congressional dining room, Congress has recessed for two days while the members recuperate.

DORINE WEAVER is still grieving over the loss of the little "yellow bird". After 10 years she admits her Rolls Royce still doesn't compare.

NANCY HANOVER is rapidly rising to stardom as the speed demon of the roller derby team, "The Rolling Rocks."

DON MITCHELL is rapidly going up in the world—up a ladder to put up television antennae.

And I, my friends, after many long evenings of work at R.H.S. have been rewarded by the offer of the night janitorship.

JUNIORS

Under the expert guidance of our two worthy advisors, Miss Flanagan and Mr. Ellers, the Juniors of '51 spent a very happy and successful year. Our

class officers: Jack Schultz—President; Gordon Cease—Vice-President; Joanne Proud—Secretary; and Beverly Shaver—Treasurer, led us jauntily on to our Senior year. Our saucy little gossip-getter, Yveta Bowling, set many interesting facts forth regarding the Juniors in our *Buckhorn*. Our Student Council representatives, Gerrie Hubbard and Jerry Pierce, proved to us that they were wisely elected. Two facts of which we are very proud are that Pat Quinn held the office of Vice-President of Student Council, and Nancy Dokey was Editor-in-Chief of the school paper.

This year we started a new project—our Holiday Hop, held December 29, at Moccasin School. It was a semi-formal affair attended by students in

grades ten through twelve and alumni. We are hoping that it will be an annual affair hereafter.

The two big high lights of our year were presenting our play, "The Bees and the Flowers", a two act comedy, directed by Mr. Elbers, and receiving our class rings shortly before Christmas.

Our class was well represented in music, athletics, and many other extra-curricular activities. We are proud of the fact that the Spanish Club was made up entirely of Juniors, and that Gordon Cease, Bill Hunt, Raymond Howe, and Ralph Mitchell were members of our Debate Club.

After the Niles-Buchanan basketball game, we sponsored a dance, the proceeds of which went to make a successful prom for our Seniors. This gala event ended our Junior year.

To start the year "on the right track" we elected class officers. Into the President's office we put Richard Biestle; with Harold Pendley as Vice-president; Harold Forbunger was elected Secretary; and Dale Schrag was appointed to the job of taking care of the money. Beverly Burrus and Kay Huebner acted as class reporters while Corbin Detgen and Chuck Spangler were chosen to represent the class in Student Council. Imogene Renbarger was elected Secretary of the Student Council and later on Secretary of the Co-operative Association of the Southwestern Michigan Student Councils.

On September 29 our class sponsored a dance after the South Haven football game. It was chaperoned by Mrs. Weaver and Mr. Heezen, 10th grade advisors. The class donated records to the

school and these were played for the first time at our dance.

Our class is very well represented in extra-curricular activities such as band, glee club, G.A.A. and orchestra. Many boys have gone out for football, basketball, or other sports and have made a good showing in them. Some have received varsity or minor letters.

The Latin Club, which is composed entirely of Sophomores, sponsored a dance after the Three Rivers basketball game. We did this for the purpose of raising money for our page in the Annual.

The class has had a very interesting and enjoyable year and we are looking forward to our Junior Year!

FRESHMEN

This year we started out with enthusiasm because we had finally become students of Buchanan Senior High School. At our first class meeting, with the help of our advisors, Ray Miller and Mrs. Kingsbury, we elected class officers. Our President was Ralph Anderson, who presided at the business meetings; our Vice-president was Ramon Sexton, who took over the president's job when the latter was absent; our Secretary was Nancy Lozicki, who took notes at the meetings; and our Treasurer was Charles Nichols, who kept track of our "treasures." Those elected to the Student Council were Mary Ann Haag and Landon Womack, who represented our Freshmen Class very well. Sara Marrs kept the account of our comings and goings up to date in

the *Buckhorn*. Nancy Lauver was elected Treasurer of the Student Council. Rolanda Brado and Marian Baker, our cheerleaders, led the yells for our team.

Different extra-curricular activities participated in by the Freshmen were: Library Club, Band, Orchestra, Glee Club, Camera Club, Future Farmers of America, Girls' Athletic Association, and *Buckhorn* Staff. These clubs were greatly enjoyed by the Freshman Class of 1950-1951.

Our class sponsored a dance and held a class party, both of which were successful. We had Freshman football and basketball teams which did fine jobs. At the close of this school year, we feel that we have completed a very successful first year in Senior High School.

The chorus line for the Music Review was chosen from the eighth grade. It was composed of Jackie Long, Mann Set Weiges, Joy Florey, Joy Holston, Norma Dokey, Betty Remington, Sharon Forthman, and Jo Anne Hoshower. They did a very good job.

We had three Junior High parties in the gym where we had games and square dancing.

We wish to thank our advisors, Miss Huggs and Mr. Decker for their fine job in guiding us. All together our year was very successful and we are looking forward to more success in years to come.

This year the Pines staff consisted completely of juniors, so under the supervision of Mrs. Snyder we worked up our sleeves just a little bit higher and dug into the work just a little bit harder than the Pines staff in former years.

The theme "A Little Train Coming from the Land of Knowledge to the High School" was suggested by Dora Lee Kohn.

At the beginning of the year, to promote sales, the staff presented an assembly to the student body. This included a skit depicting the reading of the last will and testament of J. P. Plushbottom, a commercial trio singing a song about our annual, a chorus of dancing girls and boys while the trio sang, and an "Annual-test" showing the differences between our superior annual and one which was published by another school.

The staff wishes to thank Dean-Hicks, printers and engravers of Grand Rapids, Michigan, George Smith, our chief protographer, and Mr. Bailey for the help all gave. The staff also wishes to thank

the members of the Junior class. Conner, Converse, Ralph, Mader, and Graydon Hunt, who gave such co-operation to the "C" Press staff.

With the 1950-51 season, our school paper entered its seventh year of publication. Under the guidance of our faculty advisor, Miss Hargis, the

Buckhorn staff published an issue every other week of the year, with special editions at Thanksgiving, Christmas, and Easter. A subscription-selling campaign was held at the beginning of the first and second semesters to determine a bi-monthly paper distribution list.

On January 26, the staff sponsored a dance after the South Haven game. A net profit of \$54.00 was made. This money helped to pay for the paper and materials used in publishing our school paper. The Student Council and the Buckhorn funds are combined and all bills are paid from this fund.

This year the Buckhorn was entered in the Columbia Scholastic Press Association Contest, in New York City which is sponsored by Columbia University. A copy of each issue of the paper was sent into the contest to be judged. The papers were judged on the basis of the best planned paper and the size of the school. As yet, the result of this important Press Contest is unknown.

The Literary Critics

VELMARIAN LITERARY SOCIETY

The Velmarian Literary Society is under the advisorship of Mrs. Margaret Snyder, head of the English department at Buchanan High School. The officers of the year are: President, Dora Lee Kohn; Vice President, Marilyn Hewitt; Secretary, Kathleen Hubbard; Reporter, Jim Henson; Literary Critic, Betty Womack; and Librarian, Jo Anne Russell. Our business meetings are held on the last Friday of each month.

The purpose of this society is to further literary appreciation. This has been done in many ways. We have added to our library a number of selections from the Book of the Month Club. During the year we attended several stage plays, one of which was "Death of a Salesman". A literary contest, open to grades seven through twelve, was held in February. The results will be announced at

Honor Convocation and awards presented. The Velma E. Dunbar Plaque will be awarded to the Senior high school boy or girl, at that time, whose literary work excelled. The name of the student will be placed on the plaque with the names of the winners of previous years, and the plaque will be displayed in the lower halls. This award is in remembrance of a teacher who did much to further literary interests during her teaching career.

The activities of the Vel. Lit. were not all confined to literary interest. At Christmas a basket of food was presented to a needy family. A candy sale was held on Valentine's Day, and later in the year a dance was held to raise funds for the treasury. These and all the activities throughout the year have made the year a most successful one.

The Government Officials

STUDENT COUNCIL

The organization which presented the student body with entertaining assemblies and reverent chapel services throughout the school year is known to everyone as the Student Council. With Jack R. Evans, President, Paul Quinn, Vice President, Howard R. Brown, Secretary, and Nancy L. Davis, Treasurer, the council had a very successful year. The other "heads" were made up of two representatives from each class of the junior and senior high school, the editor of the school paper, and, as of this year, the president of the Youth Council.

At the first meeting of the Cooperative Association of the Southwestern Michigan Student Councils held at St. Ignace, only Jack Renyon and Eugene Renbarger were elected president and secretary of the organization. Four other C.A.S.M.S.C. meetings

were held during the year

The local Student Council sold Christmas seals, the proceeds of which were given to the Tuberculosis Association. Together with the Youth Council and the Student Council, sponsored the annual May Queen Dance held April 22 to raise money for the associates and activities they sponsored during the year. Under the fine direction of Mr. Robinson, the council also prepared a New Year's program.

The council has selected three very interesting, as well as educational, paid assemblies for 1951-52. The programs selected for this year included the Dutton Trio, Marimba artists, Otto Schart, soloist and arranger, and Colonel Davies, a British lecturer who spoke on Our Democratic Way of Life.

MUCHOS AMIGOS

[illegible]

Toward the first of the year, the Muchos Amigos, our Spanish Club made up of entirely of Juniors elected Ralph Michell, as "El Presidente", Rita Rotzien, "El Vice Presidente", and "El Secretario" Tersarero, Patt Quinn. We decided to have our meetings the second Wednesday of every month.

Throughout the year we quizzed ourselves on the short articles in our text books to further our knowledge of the Spanish people and their way of living. We sponsored a dance which was a great success. This year we did not present the annual Spanish program as the class was too small.

Our meetings were also handled by a special program committee which was appointed by the "El Presidente" at the beginning of the school year. The meeting consisted of a business meeting followed by various games, stories, and entertainment.

presented by the committee. The second half of the meeting, while being entertaining, was quite educational since the games were of Spanish origin. Mrs. Weaver also told us many interesting facts about the Spanish people from her experiences and travel in Mexico. Movies were shown to us on life in Spanish towns, the garb of the people, and their customs.

Muchos Amigos means many friends. As our name indicates, our club membership consists of twelve congenial members who have enjoyed their Spanish Club very much and are looking forward to Spanish II next year. Mrs. Weaver, our advisor, with her patience and wit has made this year a happy and successful one.

This is the fifteenth year of the Legio Decima our Latin Club, composed of only second year students in Latin. The name "Legio Decima" means "the Tenth Legion" which was a favorite legion of Julius Caesar when he was in conquest of Gaul, and the only legion made up of outstanding Romans on whom he could depend.

We elected Harold Forbarger, Consul, Janet Beck, Pro Consul, Janice Stubbs, Scribe, and Joanne Fortman, Reporter, for our various activities.

At Christmas time we contributed to a Christmas basket which was given to a needy family. Our club also sponsored a dance after a home game. In March we all entered the National Latin Examination which comes every year. The students compete with other students all over the United States for honors. In May we made our annual visit to

Notre Dame campus and the cathedral, and our guide was Brother Boniface.

Other activities include a Latin Club meeting every month with Mrs. Weaver, our advisor, presiding over the business meeting, and a committee of two people presenting entertainment of Latin origin.

Awards of sterling silver keys are made to the three outstanding members of the class.

Our special project for the year was the rental of "The Last Days of Pompeii", a movie based on the book of the same name.

On March 9, we won first place and the trophy at the State Federation of Junior Classical Leagues at Lansing, Michigan for presenting the best skit along classical lines.

The Farm Laborers
FUTURE FARMERS OF AMERICA

The Future Farmers of America is a national organization for boys taking vocational agriculture in high school. The membership of this organization in Michigan alone is 8,000. There are thirty-five members in the Buchanan High School chapter. Since the beginning of the school year we have had over 14 major activities plus our regular meetings. During the noon hour we sponsor a recreational program in the Agriculture Room consisting of pingpong, checkers and cards. We have three basketball teams which engage in intramural competition.

Every year the chapter has an apple judging team that travels to Grand Rapids for the State Apple Judging Contest. This year the team members were Marion Stoner, Ray Nelson, and Bill

Koenigshtol. The team placed first in the state, with Marion Stoner placing third in the state for individual judging.

At the county judging contest this year, which was held at Berrien Springs, we rated first in apples, second in potatoes, and fourth in grain.

Another activity was the Agriculture Fair held October 12-14 in the Youth Council building. The F.F.A. has planted much of the shrubbery on Memorial Field in exchange for the privilege of selling refreshments at the football games. Those responsible for the year's program are: President—Noble Spaulding, Vice President—Jim Henson, Treasurer—Marion Stoner, Secretary—Bob Cline, Reporter—Jim Hall, Sponsor—Mr. May.

MACHINE SHOP

The Trade School of Buchanan High School is open to all boys from the Sophomore to the Senior year. The Trade School course is composed of three hours daily from 12:30 to 3:30. Three hours a week are spent on related subjects such as mathematics, blueprint reading, and shop theory. Films are shown on various subjects which include the use of cutting tools and precision gauges, and types and hardness of metals. The other twelve hours a week are spent in laying out a job, setting it up on a machine, and making it into a finished product.

The students in Trade School take field trips around and out of town to various companies. Once every two years they visit the Museum of Science and Industry in Chicago.

When one has completed two years of Trade

School he may apply for a job, such as an apprenticeship at the Clark Equipment Company, or as a machine operator at Hubbard Tool and Gage or the Buchanan Steel Corporation.

Several boys have already applied for and received apprenticeships at the Clark Equipment and other companies. They are now working under the Co-op Training Program which is also directed by our instructor, Mr. Runkewich.

This year's class consists of fourteen boys interested in definite trades. Trade School helps to develop these trades and prepare the boys for apprenticeships. During his apprenticeship the boy attends class one night a week at school to further his knowledge of the job in which he is interested.

LIBRARY CLUB

[illegible]

The Library Club is another one of the service clubs in school. When a student is in doubt about where to find a book or what book to report on the librarians are always ready to help him.

We have had an enjoyable and eventful year under the supervision of our new librarian, Miss Clark

The Library Club presented a Book Fair November 6-10 to commemorate Book Week. The Grade Faculty was asked to look over the large display and order books for their classroom libraries. The High School Faculty chose books for classroom work and also made recommendations for the High School library. These included a large variety of fiction and non-fiction books of interest to the students. A Christmas party was held during noon hour to exchange gifts. A dance was sponsored in

February

The library force, twenty-six in number, worked very hard to prepare three hundred new books for circulation, and to draw up a new constitution stating the rules and purpose of the club.

Our officers for the year have been Barbara Chilson — President, Jeri Spaulding, — Vice President Joan Lewis—Secretary, Dorene Weaver — Treasurer and Lois Henson—Reporter.

Each student receives one fourth credit per year for two hours of library work a week. A student that works his four high school years thus has one full credit toward graduation. A student that works four hours a week earns one-half credit per year and would have two full credits toward graduation.

Once again the Senior and Junior girls have fulfilled the purpose of the Usher Club by giving their untiring services at sports activities, auditorium activities, the Band Festival, Baccalaureate and Commencement, as well as at city services.

All girls who would like to be members of the Usher Club submit their names at the beginning of the year to Mrs. Weaver, attend all meetings, and usher at the activities. The officers are then elected by the entire club of girls. This year's membership was confined to 25 members made up of both Junior and Senior girls. The Usher Club is entirely a service club and does not receive compensation or credits toward graduation for its services.

During the busy school year of 1950-51 the Usher Club was under the advisorship of Mrs.

Weaver. We elected Barbara Zelmer as our President and 'Head Usher'. Other officers were: Barbara Chilson, Vice President; Donna Albrecht, Secretary; Pat Clifford, Treasurer; Patsy Thompson, Reporter.

The uniforms consist of maroon corduroy jackets with white braid at the collars and cuffs. They are to be worn with white skirts.

Each year the club sponsors a dance to raise funds. These funds provide money for service pins to be presented to all the outstanding Senior girls in the club. This is determined by a point system of the number of times they have ushered for the various programs and activities for the organizations of the school and town.

JUNIOR-SENIOR PROM

The Junior-Senior Prom of 1950 took place in the Moccasin School gymnasium, Saturday the 20th of May at 9:00 p.m. After entering through a stone and seaweed shrouded doorway, the theme "50 Fathoms Deep" struck the right note for the rest of the under-water decorations. Fish, sea horses, and an octopus floated on the walls and curtains of the gymnasium, while seaweed and sea plants were there on the walls to keep an eye on things.

The stage, from which the smooth music of Bobby Morris's band came, was disguised by sea-spray, and on each side were large pirate treasure chests laden with gold. The lighting of red-blue gave a deep under-sea effect. This effect was helped along by a color-wheel suspended from the gym ceiling.

Mermaids checked coats and handed out dance

cards while pirates presided over the punch bowl and cookies. Ten o'clock brought the Grand March, and as the assemblage halted from the last maneuver, a picture was snapped. At 12:00 p.m. the 200 dancers departed for home after an evening filled with laughter and fun.

The people who were responsible for this successful prom were: Marilyn Hewitt, decoration chairman; Janis Penn, program chairman; Jack Runyan, refreshment chairman; and the whole Junior class for the help in assembling the decorations. Also, without the untiring help of John Elbers and Martha Lyons, Junior class advisors, the prom would not have been possible.

JUNIOR PLAY

The night of November 17, 1950 was the night chosen by the Juniors for their presentation of "The Bees and The Flowers". The two act comedy was directed by Mr. John Elbers. Assistant director and prompters were Gerrie Hubbard, Joanne Proud, and Rita Rotzien respectively.

As the curtain rose, the audience found Louise Morgan (Patt Quinn) just returning from Mexico with her new husband, Tack Cooper (Jerry Pierce). Unknown to her three daughters, Tess, 16, (Cathy Crawford), Ilka, 11, (Jean Borland), and Alix, 12, (Lois Henson), she had divorced their newscaster father, who was idolized by his children, and had married Tack in Mexico.

Scheming to get rid of Tack, Tess pretends to be in love with him, meanwhile Ilka makes a play for Winston Atchinson (Milton Houghtaling), Tess's college boyfriend. During the course of the

play Ilka wrangles a date from Winston for the Sophomore prom at Columbia College. That same night Tack takes Tess out accompanied by Tom (Bill Hunt) and Jerry (Pat Kinser), two of Tess's friends.

In the meantime Alix, who likes Tack and wants him to stay, confers with Dippy Marshall (Jane Rizer), Alix's best friend, and decides on a plan to keep Tack from leaving.

The play ends on a happy note. Tack and Louise enjoy their wedded bliss, Tess and Winston are happily reunited. Ilka has a "man and two horses" and Alix presides over all.

Also in the cast were Pat Clifford as maid and Victor Shaler as the deliveryman. The lighting and curtains were handled by Dick Mills.

SENIOR PLAY

The Senior play cast very successfully presented *Love Is Too Much Trouble*, a farce comedy in three acts, directed by Mr. Feldman.

The plot unfolds as Dr. Pillsy (Bob Beaver) threatens to close the "Poison Pot", the college hangout, owned by Toastey (Jane Samson). Joe (Don Smith) is in trouble for having given his botany professor a neutralization pill belonging to Oggy (Maynard Ewert), which put the professor to sleep. As a result Joe is forbidden to go to the prom. Pinky (Jack Bittinger) and Joe are in the throes of despair trying to figure out who should be a victim for their experiment when the prom bandleader, Cliff Hayward (Jerry Moulds) walks in. That is just the beginning of all the trouble. Monica (Marilyn Hewitt) talks too much at the wrong time causing Shirley (Gloria Schmaltz) and Sugar

Lou (Dolores Hines) to be furious. Toastey's customers drop like flies when they accidentally get some of Oggy's pills. Dean Ross (Jo Anne Russell) faints and Dr. Pillsy expels everyone.

Only when Mrs. Bates (Barbara Chilson) praises the school and offers a financial donation does Dr. Pillsy relent. The world again turns right side up for everyone. Joe is in a tailspin — over Monica; Sugar Lou is buzzing around Oggy; and Pinky sees Connie (Dora Lee Kohn) in a new light. Fbb (Barbara Zelmer) and her sister Flo (Donna Albrecht) add laughter to the dialogue.

Lee Roti acted as business manager while Kathleen Hubbard was in charge of stage props. Fred Altergott was a very capable stage manager with Mary Van Antwerp as his assistant.

the background. The band played the "South Pacific Overture". Several selections from this show were sung by the glee club. The girls' quartette, composed of Patt Quinn, Marilyn Hewitt, Gerrie Hubbard, and Catherine Crawford, soloists, Lois Henson and Connie Converse, and the dancing chorus of hula girls were highlights of the program. The band also played "Rhapsody in Blue" and two jazz numbers, complete with sound effects. The last stirring number was the "Battle Hymn of the Republic" by band and glee club.

The glee club participated in the annual festival at St. Joseph joining with a chorus of seven hundred voices from the high school glee clubs of Berrien County. The glee club also combined with the orchestra to make the stirring marches played at Baccalaureate and Commencement memorable.

The band, glee club and, and orchestra profited greatly and fully enjoyed the year under the able direction of Ralph R. Robinson, head of the high school music department.

Successful Run Is Awarded

As graduation grows near, there are many activities and events to fill the students' lives, but the most-awaited event, outside of graduation, is Honor Convocation. On this day honors and awards are given out and received. The pride that fills each recipient's being is not pride of the honor bestowed, but more of the established goal that each has reached.

To continue one of the oldest traditions of Buchanan High School, the Velmarian Literary Society sponsored a literary contest in the fields of essay, short story, and poetry. The awards were arranged into the following groups:

Seventh and eighth grades: Short story

The Becham Bulls, having a record of four consecutive shut-out wins, a feat which no other team in the history of the Big Seven has recorded, will look forward to the third straight defense of their crown with great reassurance and a realization that the 1950 game will be a tough one.

The Bucks opened the curtain on the new season at New Ball to where they beat the Bisons a 7-0 while a 1-0 non-conference battle. The Macon and White game then continued on the glory road as they encountered the State High Cubs for the season's first Big Seven engagement returning home with a 1-0 message of victory tucked under their belts. The Macon then played roles of hosts as they returned to their home stamping grounds to greet the South Haven Rams. The Rams displaying a heavy experienced line and using a single wing attack is a team we are going to walk out with for the contest. But the Bucks came from behind to whip the stubborn South Haven 6-0. The victory was the second registered by the Bucks in conference play and put them in the neck of the race. The Three Rivers Wildcats invaded Macon on 1 Field for following week and knocked the Bucks from the league lead in a thrilling 19-12 knock down, drag-out battle. The Bucks were pre-

pared for the next game as they played host to the
 Bangor Vikings. The Bucktowners discovered
 their scoring punch as they smothered the invaders
 in . . . Next the Buck Huskies traveled to neighbor-
 ing Niles where they met the top ranking Vikings.
 The Nilesites were resting on top of the conference
 standings, and up to this time they were unscored
 upon. But the Bucks quickly threw a scare into the
 Viking rooters as they took an early 7-0 lead. How-
 ever, The Buchmanites attack tapered and the
 lead was short-lived as they proceeded to drop
 their second decision of the year 20-7. Dowagiac
 came to town to close the football season on Mem-
 orial Field in the Bucks' last home game. The
 always-tough Chieftains lived up to their tradition
 by playing their best game against the Bucks. The
 Chiefs took a 6-0 lead in the first quarter and be-
 gan to accumulate scores through the first half. But the
 Buchman eleven began to rally after the intermis-
 sion as they hit pay dirt for a 17-6 victory. The
 Bucks then traveled to St. Joseph to meet the Bears
 in the final game of the grid season. After twenty-
 eight straight contests the Buchman club was fur-
 ly whitewashed. This track was turned by the Bears
 as they sent the Bucks home on the short end of a
 19-0 score.

BASKETBALL

Left to right: Coach Lester Miller, 13, 21, 20, 16, 14, 18, 17, 22, 24, 19, 15.

When the 1950-51 basketball season rolled around, Coach Lester Miller found himself with only two returning lettermen and a host of young candidates. After a few days the squad was cut and the boys prepared for the long stretch that was ahead of them.

Soon the opening game arrived. The Bucks had to open the cage season at State High where the young, inexperienced Buchanan club succumbed to a 30-22 score. The following week the Bucks continued on the road to South Haven where they met the Rams and were again forced to accept defeat 47-30. The Dowagiac Chieftains invaded the local court a week later and dealt our boys their third set back in the way of a 38-18 score. Before the Christmas holiday the Maroon and White tagers ventured to St. Joseph where the Bears handed them a 56-37 licking. Following the vacation period the Bucks played host to a highly rated Three Rivers club. Although the Bucks lost 55-38 they played their best game of the season and gave the Wildcats quite a run for their money. Next the Buchanan club donned their traveling garb and engaged the Class C school of Berrien Springs in a non-conference contest. The Bucks were sent home on the short end of a 71-15 score. The following week the Buck tagers visited our neighbor, Niles, and were belted to the tune of 71-38, thereby absorbing the seventh consecutive defeat and ending the first round of conference play.

The State High Cubs from Kalamazoo invaded the locals home grounds to start the second half of league play, and found to their dismay that although the Bucks were on the bottom of the heap in conference standings they still had plenty of fighting spirit. When the final echo had died away the Bucks had tucked a 39-36 victory under their belts. The South Haven Rams played the visitors role in the Bucks' next tilt, and a thrilling battle resulted, but the Bucks fell in the waning moments, giving the Rams a 41-31 decision. The "Buck towners" then proceeded to Dowagiac and the Chiefs treated them like long lost cousins sending them home on the tail end of a 73-14 score. Berrien Springs then engaged the Bucks in a non-conference battle on the latter's home court. The Buchanan club hit their highest total of the season, but the red hot Shamrocks pounded the nets just a little harder to gain a 61-50 decision. The drowning Bucks then journeyed to Three Rivers where they absorbed the worst drubbing of the cage season 87-11. Next the Maroon and White returned home to meet St. Joseph, and were forced to yield to the Bears 71-30. The "Millermen" played host to the Vikings from Niles in the conference final, and were trounced to the tune of 65-21.

When the final tournament rolled around, the Bucks drew the always tough St. Joe five, and were soundly routed.

INTRAMURAL SPORTS

Bad weather brought an abrupt close to the first season of intramural football at Buchanan High. The "Little Sparks", captained by Howard Quick, were crowned champs of the six team league. Runnerup honors were captured by Tony Rosetto's all-senior team, which compiled a record of four victories and one loss.

The Seniors' intramural basketball team completed the intramural cage season undefeated, to

claim top honors. The Seniors, with captain Harold Luhrs at the helm, breezed through their hoop campaign with almost no opposition.

The one day inter-class track meet, held last spring, resulted in a mild upset, as the Juniors edged out the Seniors in a heated battle for the crown.

The Girls' Athletic Association, under the supervision and with the companionship of Mrs. Kingsbury and the officers: President—Jane Rizer, Vice President—Kathleen Hubbard, Secretary—Rita Roizen, Treasurer—Barbara Chilson, Parliamentarian—Paul Quinn, and Reporter—Nancy Lozicki, enjoyed a very successful and happy year at B.H.S.

One outside activity a month was participated in besides the regular softball, speedball, volleyball and basketball tournaments. Some of the activities engaged in were swimming, hiking, roller skating, tobogganing, overnights, and a basketball playday.

The money which was received from the football and basketball concessions was used to buy frames

(or the Senior pictures in the lower halls)

The baseball team of 1950 showed great promise with eleven lettermen returning to the team. The season started with the Bucks facing the mighty St. Joe Bears on the B.H.S. diamond on April 14. The Bucks' defense was hampered by five errors, which resulted in a 6-1 score in favor of St. Joe. The next game was with the well seasoned State High Cubs. The Bucks used five pitchers only to be plagued by eleven errors. The Bucks took a sad 21-6 defeat.

The South Haven Rams then came visiting the Bucks' lair. Behind the pitching of Bill Hess and George Vincent, the Bucks finished on the short end

of a 2-1 score. The Bucks then traveled to Three Rivers. The might of the Buck squad showed itself in a 4-1 victory.

The now highly hopeful Buck squad next met the old rival, Niles, on the Bucks' diamond. The Niles Vikings showed power all through the game. The Bucks took a very sad 20-1 defeat. The Dowagiac Chiefs were the next opponents of the Buck squad. The game was postponed because of rain, and it never was played. The Bucks, even though making a poor showing in 1950, have great hopes for the future baseball teams of Buchanan High.
